**7. Auxiliary Exchange Services**  
**7.2 Touch Tone Calling**

---

<b>7.2.1 Description</b>	
<b>A.</b>	Touch-tone calling allows calls to be originated from instruments equipped for tone-type address signaling over special central office facilities. (C)
<b>B.</b>	Telephones equipped for tone-type address signaling can only be associated with, or have access to, lines equipped for this service.

  

<b>7.2.2 Application of Rates and Charges</b>	
<b>A.</b>	<b>Centrex Service</b> —The touch tone rates and charges specified in Part M, Section 1.7.2 apply if a customer has the capability to originate calls by means of a suitably equipped instrument and if the special central office facilities exist. These rates also apply when furnished with customer provided equipment or systems. (T)

**1. Collocation****1.1 General**

Rates and charges for service explained herein are contained in Part M, Section 5.

<b>1.1.1 Description</b>	
<b>A.</b>	<b>Availability</b> – Effective May 13, 2002 Collocation is no longer offered under this tariff to new customers or to existing customers at new central office locations. Existing customers may retain Collocation at their present location in the same or greater quantities.
<b>1.</b>	Collocation circuits provided to Carriers are available via relevant UNE offerings from the DTE MA No. 17 tariff.
<b>B.</b>	Collocation provides a customer with space and associated requirements such as power and environmental conditioning within a Telephone Company central office building.
<b>C.</b>	Collocation is available to a customer solely for the purpose of connecting their fiber optic facilities to their owned and operated transmission equipment within their collocated space.
<b>D.</b>	Collocation is provided by the Telephone Company where suitable central office facilities exist. A listing of such central offices is contained in Section 1.4.
<b>E.</b>	Collocation is subject to the terms, conditions and charges specified in this tariff and to the terms and conditions specified in a contract between the Telephone Company and the customer, known herein as an agreement. Regulations described herein are in addition to the terms and conditions specified in the agreement. The Telephone Company's obligation to provide collocation is contingent upon a signed agreement.
<b>1.</b>	Collocation agreements will have a base duration of three years, and are subject to renewal in accordance with the terms and conditions of the agreement.
